

Product Code: PSDF2

Description: Powersaver Electronic immersion controller with programmable operation

General Information

Dimensions (mm)	169 x 114 x 60
Finish	White
Display	LCD
Timing Accuracy	± 0.5 Seconds/Day
Materials	ABS
Mounting	Surface
Warranty (Years)	3

Outputs

Total Switch Rating	13A
---------------------	-----

Programming

Programming Schedule	24 Hours
Summer/Winter Time Change	Yes; Automatic
Memory Reserve	3 years
Selectable Boost Durations	30 Minutes, 1 Hour or 2 Hours

Supply & Power

Supply Voltage (V AC)	230
Frequency (Hz)	50/60
Power Consumption (W)	1.2
Cable Size (mm ²)	0.5 - 2.5
Power Reserve	Approx 10 Years, Non-rechargeable, Lithium
IEC Protection Class	Class I

Environment

Ingress Protection	IP30
--------------------	------

Features

Off Peak program installer selectable - 10 adjustable presets available, covering low rate electricity tariffs
 Economy 7
 Economy 10 and Eco 20:20
